PICNIC -1963

The C.A.R.C picnic of 63 ,is over.Wx cool to cooler,attendance light to medium.If you did not walk away with a prize,boy you must be unlucky,as Al Frick (W8FLD),prize chairman,came up with 100 prizes ranging from a 20 dollar bill to selection of boat anchors.

Harry Packa (W8BTE),was the lucky one for the cash prize.We understand Harry promised,not to buy radio gear,but instead,would treat the XYL to a night out.

We extend our thanks to the following for their contributions of prize material.

General Electric Supply Co  
Summer Electric  
Furbay Electric  
Canton Supply Co  
Mahoning Valley Supply Co  
Hardware and Supply Co  
Canton Hardware Co  
Simplex Time Recording Co  
U.S.Ceramic Tile Co  
Rex's  
Electronic Center  
Walkeradio  
Burroughs Amiet Electronic Co  
Graybar Co

Boat anchors by -Goulardi ?????

Now:say,I wish i had attended the picnic. Better still,lets find a good alibi say we didnt know about it.

W8RTR/8 was in action,with a G-28 on 10 and 2 meter FM.Thanks to Larry K8RMY, Chuck K8MZS and Ike K8YLK.Bob Kendig W8BZC/8 operated six meters with FB results.

Ideas are like children--your own are very wonderful.

To avoid criticism:say nothing,do nothing, be nothing.

## PRO FOOTBALL HALL OF FAME AWARD

With the dedication Sept 7, of the Professional Football Hall of Fame, the Canton Amateur Radio Club will embark on a recognized certificate issuing program.

Stimulation of amateur activity on all bands plus spreading a bit of public relation to all parts of the world will be our incentive.

Contacts retroactive to Sept first 1962 will be honored. Any amateur band, any mode or a combination of two or more bands will qualify.

1. Number of contacts
  - a. 11 for state-side stations
  - b. 5 " DX stations
2. Log data (excluding time) date, band, mode and call of station worked in a legible manner, numbering contacts. This list shall be certified by two other amateurs or a club officer.

### Example of certification

I have seen the cards or log excerpts of the above listed contacts and certify them to be correct as listed

3. Send this list to certificate custodian of the Canton Amateur Radio Club' Inc  
Mrs Shirley Rex 2225 Mt Vernon Blvd. NW.  
Canton, Ohio 44709

## MOBILE REGISTRY

In October, we plan to participate in the annual Simulated Emergency Test (S.E.T.). The Red Cross Net would like to have available a directory of all Canton area Hams capable of operating mobile, on 10-6 or 2 meters.

During S.E.T., our intentions are to activate all three bands. Please fill out the registry blank or mail the desired information on a post card to Larry c. Schmader 3726 12th SW, Canton 6, Ohio

## COVER

Several photographs of the picnic, are appearing in this issue, hope you can locate your smiling face. Photographs by Gene Arnold W8YAB. Lithographed by Rob Roy W8HR.

## ELECTION

Vacation date is Sept 7, so will be unable to publish the list of nominees from Sept 4 meeting. However be there Sept 18 and help elect the officers of your choice, for 1964.

"You remind me of Nero."

"Why."

"Here I am burning and you're just fiddling!"

Compliments are in order to the Warren Amateur Radio Assn for the superb Hamfest sponsored at Newton Falls Aug-25. No less than 30 local hams and Xyl's from Canton area attended, no prize of great value was won by any of the group, but the thrill of coming close makes one want to try again.

Our readers may be interested to know that Gene Roderick ex W8MWL now K4KXP and Dennis Moriarty ex K8AGB now W4 were in attendance.

News via J.K. Heinbuck (Kelly K8YDR) tells us that 6 meter Mobile hunts have been frequent on sundays in Holmes County this summer, also that the ham population of this adjacent Co now number 23. K8ZMV, W8AVK, K8RTO and W8AOK activated a station recently at the Holmes county fair in Millersburg.

We extend our most sincere sympathy to Alice Geib, W8OTK and the Findlay Radio Club, on the death of Bart Geib, W8WE, husband and editor of the W8FT news. We never had the pleasure of meeting Bart but learned to know him through the club publication and as a officer and fellow member of the Amateur Radio Editors Association. His service will be missed greatly by the Findlay Club.

WANTED: FM-Transceivers, General Electric 151 MC. The type recently converted by several club members for 2 meter operation. 60 of these units are known to be in this area, only about 40 can be accounted for. If you have a unit not in use or know of one, not being converted, please contact Denny Frey K8NIB or this paper.

The Aug 8 th meeting of the QCWA Canton Chapter, brought members and prospective members from eleven towns and villages in six counties. A excellent turn-out for the second meeting. The one traveling the farthest, was Bob Fry W8OUZ of Mt Vernon.

Several of the gang dug into their treasure chest and displayed a collection of early radio gear, after a enjoyable dinner.

Gear displayed was a 1921 or 22 Westinghouse receiver by Whitey Beechy W8LVW. Two early Atwater Kent receivers, one by Arkie Reichman W8NBK, serial #4340-A and one by Roy Burkhart W8CZA #4550-A. A Radlola III-A by Ross Hayes W8ZEW. A 1921 Vacume volt meter by Chuck Cramer W8QAZ.

You can find a few of these thin haired old-goats around 28.750 on Sunday evenings 9:00 EST, or 10:00 EDT.

The next get-together will be Oct 10, 1963, at Bonvehio's south of New Philadelphia Ohio, on route 16. Turn right at the sign on C route 60 going down from the north,

A nice membership certificate awaits all new members.

Be sure to get in on all QCWA contests, lots of fun, beside you may win a certificate.
